Happy Tournament Season,

The game time for the Lourdes Hockey Team is 8:00PM at the Xcel Center.

I do understand that this is not the greatest scenerio, but it is pertinent that all LHS band students attend the game to show our support for the Lourdes Community. Teachers are aware that band students will be at the Xcel Center late that night.

Please encourage your band student to be organized during these busy times. Students are encouraged to do homework on the bus. Thank you for your continous support of the Lourdes High School Band Program and the Lourdes Community.
